

THE WAY FORWARD

MARCH 2023

A New Brand in Your Community

Over the the past few months, we've embarked on quite the journey. Aside from moving our office to a new location, we've also completed a major rebranding initiative, moving from "Rebein Brothers" to "Rebein Law", and representing ourselves with a strong new brand and value proposition... "Your Way Forward".

Our new brand better represents who we are as a law firm, as well as our commitment to being involved in your community.

Accompanying our rebrand is our whole new office location. We've put in the work renovating and decorating our new home to create a functional, welcoming environment for our clients. Awaiting the final touches, we look forward to opening our doors and inviting you in very, very soon. **Stay in touch to hear about our official Brand and Office Launch Party this Spring!**

★ REBEIN'S RAVE REVIEWS ★

"Paul Rebein and his team are great people who truly care about the people they serve. Paul and his team have helped me out and I am grateful for their assistance. I would and have referred people to his office for advice."

-Christine H.

Follow Along With Our Renovation Progress

We saw the potential in this new spot and we've loved every minute of the journey. Giving this space a new life allows it to truly be an extension of who we are at Rebein Law.

Carrying Our Brand Forward

Our new brand not only better represents our values and mission, but it looks great on water bottles, coffee mugs, and stationery. We are proud to have a brand we can confidently stand behind and demonstrate by serving you as your way forward.

LOCAL BUSINESS FEATURE

Fast Signs of Tampa, Florida

Our new brand and office space have a story to tell and that wouldn't be possible without our new signs from Fast Signs of Tampa. They brought our vision to life and completed the concept for our new office.

Fast Signs worked with our team to come up with a strategy and supported us along every step of the way answering questions and making suggestions. Not only do they deliver a great product, but they stay involved after production for the installation to ensure that everything is exactly how you want it!

Their team of visual marketing experts are passionate about helping businesses meet their goals with great signage, displays and graphics. Whether your needs are big or small, inside or outside, the Fast Signs team is ready to make it happen.
